

U-shaped Window Air Conditioner

The new U-shaped Window Air Conditioner is the latest technology to come from MRCOOL. With its revolutionary U-Shaped design, this Air Conditioner gives you the ability to open and close the window it is installed in. By being able to close the window, it helps create a sound barrier to keep unwanted noise outside making it incredibly quiet. The unit also features a redesigned bracket that simplifies and shortens the installation process.

U-shaped Window Air Conditioner

BENEFITS & FEATURES

Incredibly quiet

The ability to close the window the unit operates in, allows the sound of the compressor to remain outside and separate from the inside of your home.

Painless Installation

The new bracket included with this system snaps together, and can be installed in only a few steps.

Powerful Airflow

This unit creates a powerful current of cold air, which can be felt up to 20 feet away.

Smart control with your wireless devices

The MRCOOL U-Shaped Window Air Conditioner has the ability to be controlled from just about anywhere. It can be controlled by Smartphones, with the use of an iOS or Android app. It can be accessed through Google Assistant and Amazon Alexa, which means you have the ability to adjust the controls with voice commands.

Technological Advancements in Inverter Efficiency

The technology used in our inverter has shown it can create up to 35% in energy savings, when placed against a traditional A/C unit*.

***Compared to Federal Minimum Requirement**

- ✓ Wi-Fi Compatible
- ✓ Works with Amazon Alexa
- ✓ Works with Google Assistant
- ✓ Remote Control Included
- ✓ Energy Star Certified
- ✓ Auto Cool
- ✓ Automatic Shut-Off
- ✓ Sleep Mode Available
- ✓ Washable Mesh Filter
- ✓ 3 Speeds
- ✓ Multi-Directional Air Control
- ✓ Quiet Operation
