

MCFAN*PAGR

PRODUCT SPECIFICATIONS

HVLS INDUSTRIAL FAN

FEATURES

- The unique blade design creates greater air volume than other industrial fans with the same diameter blades
- Quiet and efficient operation
- Low maintenance required
- Inexpensive to operate
- Consumes less power than the average hair dryer
- Reduces “recovery time” when there is constant air flow throughout a space
- Provides a constant, even temperature throughout the space eliminating cold or hot spots (From floor to ceiling and wall to wall)
- Minimizes the need for expensive duct work in new construction for both heating and cooling systems
- Increases productivity and decreases absenteeism by providing a comfortable workplace environment
- Two Year Warranty on motor ; Lifetime Warranty on Blades
